**Last updated: 23.11.2017**

Welcome to myPOS's online and retail stores operated by myPOS Services Ltd (defined below in Contact Us), an affiliated company to myPOS Europe Ltd ("myPOS", "We", "Us", "Our"), located at 25 Canada Square, Canary Wharf, London, UK.

At myPOS we want you to be delighted every time you shop with us. Occasionally though, we know you may want to return items. You also have statutory rights where goods are not as described, not fit for purpose or not of satisfactory quality.

myPOS **Return policy** aims to describe the steps which you must follow when you wish to return your myPOS Package or other products ("myPOS Products") purchased from our online or retail stores or from our authorized Distributors. This Return policy is part of the Conditions of Use of myPOS Store.

myPOS may, but is not obliged to, upon its sole discretion apply this return policy and/or proceed to a refund in case when a Client wishes to return a myPOS product because the Client cannot use myPOS E-money or payment service for compliance, risk or security reasons.

### I. Always contact us or the Distributor in case of Return

In case you have an issue with your myPOS product purchased from us or from our authorized Distributors or in any case you wish to return a myPOS Product, you must first contact us by email at [help@mypos.com](mailto:help@mypos.com) or by calling our phone numbers described on [www.mypos.com](http://www.mypos.com) or the Distributor from which you bought the product and describe the issue or request more information regarding the purchased myPOS terminal. We may suggest you to exchange your product for another item, which may be more suitable for you. We will do our best to provide you with the best solution as fast as possible.

### II. Our Voluntary Returns Policy Within 30 days:

**1. You can return most products** purchased from myPOS stores or our authorized Distributors within a period of 30 days from the date of purchase of the products if the following conditions are met:

- you provide or send us the original or a clean and true copy of the invoice or receipt for the purchase of the products you intend to return, and
- **Please note** that you must return each item in the same condition in which you received it. This means that items must be returned **new, unused and complete**.

Please note that this returns policy doesn't affect your statutory rights and therefore doesn't affect your right of cancellation if you qualify as a consumer and have bought a product online or out of the store (distance sale) as a consumer.

The following products cannot be returned under the Voluntary Returns Policy (unless defective):

- Goods, terminals or cards customized according to your specifications or clearly personalized;

**Note: Refunds by us in cash are not possible even if you paid for a product in cash in store or to an authorized Distributor.**

**Note:** Your refund request will be processed instantly. However, it may take 5-7 business days for it to display on your payment card or bank statement. myPOS may determine upon its discretion that a refund can be issued without requiring a return, for which we will notify you via e-mail.

If your refund doesn't appear in Your Account, and the processing time for your payment method has passed, kindly contact us for further assistance.

**Note: In case you choose to send your item through** a carrier and the latter has received your item, which you would like to return, it can take up to 2 weeks for us to receive and process your return.
