At myPOS, we want you to be delighted every time you shop with us. Occasionally though, we know you may want to return items. You also have statutory rights to do so when the goods are not as described, not fit for purpose or not of satisfactory quality.

myPOS’ **Return policy** aims to describe the steps which you must follow when you wish to return your myPOS Package or other products (“myPOS Products” or “Product”) purchased from our online or retail stores or from our authorized Distributors. This Return policy is part of the Conditions of Use of myPOS Store.

myPOS may, but is not obliged to, apply this return policy and/or proceed to a refund in case a Client wishes to return a myPOS Product because the Client cannot use myPOS E-money or payment services for compliance, risk or security reasons.
